

Summer 2020 & New Academic year 2020/21

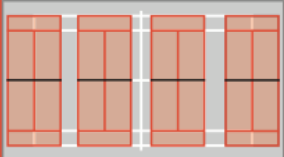

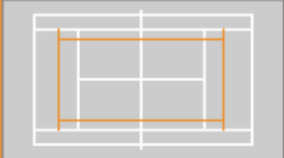

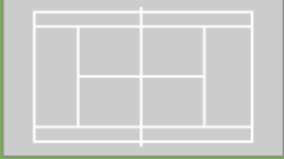

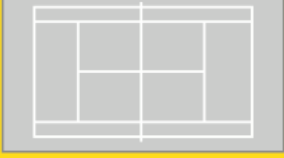

As the summer season is approaching, it is the best time to plan the days and times for the July lessons as well as for the next academic year, September 2020 to June 2021. Please complete the attached application forms to assist us for the best possible organization. The forms are structured according to the program of the classes, which are determined by age and level. For better understanding of the evolution stages of the player, you may refer to the ITF (International Tennis Federation) table below. Feel free to contact us, if you need more information.

A. July 2020 training

The training hours for the month of July are adjusted according to the heat and the fact that it is a holiday season. Thus, Group lessons take place after 5:00pm daily, from Monday to Thursday. On the rest of the days and times, including mornings you may request to have your individual lessons. You have the flexibility to choose to train week by week. The cost is €25 per week for 2 sessions of 1 hour and €35 per week for 2 sessions of 1,5 hour. Please tick the days and times you would like to train, as well as the weeks you will be around.

B. Academic Year 2020-2021

The new academic year begins for the Max Tennis School on Tuesday 1st September 2020. The current students of Max Tennis School have a priority for the new year beginning in September in the training hours. By filling in the attached form as accurately as possible you give us the opportunity for the best possible planning of the new year. If the days and times included in the program are not convenient, you may make a note and we will try our best to accommodate you.

AGE	BALL	COURT	RACKET *(Dependent on the size of the player)	SCORING OPTIONS	STAGE DESCRIPTION
5-8 years	 (Foam or Felt) 75% slower than a yellow ball	 11-12m (36-39ft) x 5-6m (16-19ft) Net Height: 80cm (31.5in)	Up to 23" (43-58cm)*	1 x tiebreak to 7 or 10 Best of 3 tiebreaks to 7 1 x short set to 4 Timed Matches	At Red, slower balls, smaller courts and shorter rackets, enable players to play the game from the first lesson. Players start to play fun, team-based matches, and develop good technique and use realistic tactics.
8-10 years	 50% slower than a yellow ball	 18m (60ft) x 6.5-8.23m (21-27ft) Net Height: 80-91cm (31.5-36in)	23-25" (58-63cm)*	Best of 3 tiebreaks to 7 1 x short set to 4	Players move to a larger court, relevant to their size. The ball is slightly faster, but continues to provide an optimal striking zone and the ability to implement advanced tactics. Matches are longer than at Red, and children play both 'team' and 'individual' events.
9-10 years	 25% slower than a yellow ball	 Full Size Court	25-26" (63-66cm)*	1 x short set to 4 Best of 3 short sets to 4 (3rd set as match tiebreak)	The ball is faster than at Orange, but still slower and lower bouncing than the yellow ball, helping experienced players to continue to develop good technique and to implement advanced tactics. Matches are slightly longer than at Orange, and both 'team' and 'individual' events are played.
11 years and over	 Yellow Ball	 Full Size Court	26-29" (66-73.7cm)*	Any scoring system within the Rules of Tennis	Once players have progressed through the Red, Orange and Green stages, they will usually be ready to train and compete with a yellow ball on the full court.
